General Information

1. Please describe why you want to participate in this apprenticeship program and how you expect the apprenticeship will impact your future endeavors.
2. What distinguishes your interest in our apprenticeship from interest in other learning programs?
3. Please describe learning experiences of significance to you: work experiences, schools attended, life experiences, etc.
4. Please describe your strengths.
5. How do you manage in stressful situations?
6. There will be lengthy sailing and canoeing expeditions as part of this session. Is living outdoors or on small boats going to be a challenge for you? If so, how will manage these challenges?

7. Have you lived in close quarters with others for multiple days at a time?
8. Please describe what you consider to be your primary challenges in life.
9. What do you think that you could specifically offer to the Boat Shop community?
10. Is there anything else you would like to share with us or like us to know about you?

Health Information

The information you provide in this section will be used to help us better understand and serve the needs you may have as an apprentice

Please describe any physical or mental health challenges that are a part of your life.

How may you be addressing these challenges as an apprentice? Do you have any needs, including diet needs or taking time out for therapy appointments or support group meetings, that we should plan to support?

Please list any medications you are currently taking, and for which conditions. Do you experience side-effects that may impact your experience (eg drowsiness, etc)?

Please email your completed application to Alicia Witham at director@carpentersboatshop.com or mail it to: Alicia Witham, c/o The Carpenter's Boat Shop, 440 Old County Road, Pemaquid, ME 04558
